Welcome to RiskPoint Aviation –  
your underwriter of choice

We have expanded our services with  
Aviation Insurances for:

- Fixed Wing
- Helicopters
- Micro Ultralights
- Gliders
- Balloons
- Drones
- Hangar Keeper
- Airport Liability

## Territories

- Denmark, Norway, Sweden and Finland
- The Baltic region
- Poland, Germany and the UK

Quality is important for RiskPoint. Hence we only offer insurance solutions with minimum A-level credit ratings. It is important for RiskPoint that our customers can rely on our credit quality – also in the long term perspective. We will demonstrate a high degree of practical expertise and credibility within our chosen business segments. You will experience this within the establishment of the insurance solution itself. Our employees have a solid and detailed experience in Aviation Underwriting. Within claims handling, it is our business philosophy that the customer shall experience a proactive and fair handling.

RiskPoint is an Underwriting Agency and approved Lloyd's Coverholder. We currently have offices in Copenhagen, Stockholm, Oslo and Helsinki. RiskPoint is a subsidiary of Hansen & Klein A/S, who has conducted insurance business since 1917.

We hope you will let us be your underwriter of choice. We look forward to welcoming you as our client.
